Doesn't time fly when you're having fun, but here we go again.

100 year celebrations

President Bob continues to remind us that we are an old and proud Club. Wouldn't it be great to win a few Pennants in our 100th Year. And there are some there for the taking. It's the last quarter, the final few ends, and certainly not the time to relax and take the foot off the peddle. Train hard, play hard, and then we can celebrate hard!

Friday Jackpot

It went off a couple of weeks ago. Brian Jenkins was playing a Club Tournament, so lucky Jan (which one?) picked the joker for him.

Club Coaching

Line and length!

Apart from the above, what can I say. If you haven't seen the amount of time that Bushy spends at the Club offering his coaching skills to EVERYONE who is willing 'to book a time', then you don't spend much time at the Club practising.

Selection

So, who would want to be a selector? It seems that besides the fact that the selectors don't know how good a bowler you really are, they are perhaps occasionally failing to inform everyone when changes are made to teams. This has been recognised, and Selectors will try to address this problem.

Diggers Day

What a great day! We had 28 teams, the Greens were running well, the weather was perfect, and thanks to that little band of workers who do what has to be done so that you can enjoy a day of bowls, all went well without a hitch. I certainly enjoyed the day of bowls. But I did go a little earlier than the prescribed time to lend a hand. Dennis was out there rolling the green, and I saw Carl doing the same on C Green. Didn't the place look great with the Australian flags around the bar (was that Dennis again?) and the beautifully adorned tables (the work of a female ex-teacher) Someone had already put the mats out, done the scoreboards, and put up the shades. So I went to the kitchen where Barb, Di, Carol and Jan were busy preparing the food. Carl performed the 'gopher' kitchen duties for the day.

Mike was obviously in the kitchen at some time too! And there is Barb.

Cribby sold the raffle tickets, Truck was worn out at the end of the day (and he wasn't bowling) Mike kept the scores and Albert collected the money. At this stage I had found a job to do. I opened the cans of peaches and the beetroot. There were others who did their bit and all I can say is ---well done. And of course, if you wanted to rehydrate, Dennis, Mike and Leon were there to help you. Margaret and John Whelan led the singing of the National Anthem, and of course, a big thank you to Albert, the front man, organiser and provider of the Life Savers. The winners of the day were---oh no, not again---Vicki and Trevor Feast, Postie, John (COB) Whelan and Rodney. No wonder they won, they had five players!

Congratulations to-----
