Successful Rinks on Saturdays The best performing rink in Premier this season was-----

Darren Nibletts' rink with 9 wins and 9 losses. They won 7 of the last 10 games. It wasn't a stable rink but Munnors, Lynton Keen, Guy Uren, Murray Faazola were often in the team.

Bob Penhall's rink with 9 wins and a draw from 12 games. Trevor Rae and Trevor Bairstow played 3rd and 2nd with Josh McDermid the most regular leader.

Rob Van Dyk's rink and for the first five weeks the other players were David Manley, Ross Anderson and June Rae. Then nine other players joined the rink at one time or another. There were 11 different skippers in this team which possibly accounts for the team's disappointing record.
