## Once in a 100 Years---BBQ

On Saturday 25<sup>th</sup> August we celebrated the meeting which formed the Toorak Bowling Club. This event occurred on 22<sup>nd</sup> August 1918. Spike organised the cards for the afternoon's social bowls, and then with David Manley, cooked the BBQ. There were about 60 members and past members present. Dennis, Mike and Leon worked behind the bar, and the sausages, rissoles, and onions were cooked to perfection. President Bob Penhall welcomed Patron John Darley and his wife. Next he welcomed Beth Fergusson, who with Pam Wiles worked behind the bar during the eighties, and were well known and much appreciated by both members and visitors.

Mary Maitland, our oldest member, cut the cake.

We then went out onto the greens to bowl. It was our first bowl on B Green for the year, and it rolled well. Both A and B Greens look great. Carl believes that the cover on both greens for this time of the year, and particularly at the northern ends, is the best he has seen.

A team of new and 'old' members, Corrina and John, Jan R and skipper Wombat, won the chooks in the Fours on A Green, and Myriam, Barb Bairstow and I won the Triples on B green.

A good time was had by all!

## Taylor's Super Challenge

The list is on the Board. The Club has performed well in this Tournament over the last couple of years, and your support is again needed to keep this tradition going.

## Quiz Night

There will be a quiz night held at the Club on Saturday 22<sup>nd</sup> September. It is in aid of the S.A. Off Road Association, but members are most welcome to join in. Already we have two teams from Club members. It's a 7 for 7.30 p.m. start. \$12 a head—tables of 8. BYO nibbles. Bar profits go to our Club.

Which Toorak table will prevail?

It may be yours if you enter a team.

It went off last week. Jamie Burt, down from the hills for a practice, won \$400.

## Club Coaching

All 41 sessions for October have been filled, but there are times available in November. See the Board.

## Women Bowlers

I believe two have left to seek greener pastures. When will they learn! The very good news is that two have joined. A big welcome to Gillian and Katie.

And the big sign on the corner has attracted the attention of two more potential women bowlers. I say, the more the merrier!
