

TBBC Member Equity Statement

Toorak Burnside Bowling Club provides a culturally diverse and supportive environment in which to play bowls and socialise. In particular, it is a welcoming and respectful environment for all members regardless of their gender identity. In everything that we do, including but not limited to our policies, processes and practices, the club strives to include members at all levels of competition, and incorporate their views in relation to club management. At Toorak Burnside Bowling Club all members are equitably represented, valued and rewarded.
