

Hi there Night Owl players/contributors,

Back in the real world, this evening would have been the last Night Owls action for those of our players who would've been taking part in either the Night Owl v Pennant Challenge or the Ladies game. Our season, along with many other sports, did finish quite abruptly however I guess, collectively, we all now have a much greater challenge.

I'd like to acknowledge the following teams who've been declared Premiers of each division:#

- Toorak - Roly Holers
- Burnside - Grass Mafia
- Centenary - The Crabs

And also the runners-up:

- Toorak - Collective Mind
- Burnside - The Awesome Foursome
- Centenary - Rebels

We'll present medals to the Premiers and prizes to all above teams in due course (possibly at the start of next season).

I'd also like to acknowledge the contribution of the rest of the crew of volunteers who put in a cracking effort to bring the season to you:

- Ian 'Spike' Brereton
- Jan Chinnery
- Mike Dwyer
- Dave Gamble
- Matt Goss
- Chris 'Grubby' Grabczewski
- Graeme Litster
- Andrew Mackenzie
- Jacqui Schuller
- Lyndon Stacy
- Mandy van Dyk
- Rob van Dyk

Thanks to Peter Davis for supplying everyone with their 'sports drinks' from behind the bar.

Thanks to others who helped out during the season:

- Barb Bairstow - in kitchen
- Trevor Bairstow - in kitchen
- Les 'Bushy' Carter - coaching
- Peter Edwards - updating website
- Treena Engel - organising pizza supper
- Vicki Feast - organising ladies game

Thanks also to our generous players who donated money towards the supper in December, those who've donated prizes for the raffle and to any other club members I've omitted who've volunteered behind the bar or helped out,

We look forward to being able to extend what we've started this year into the new season by adding items and events we just couldn't get to this year.

Thank you for all your support and looking forward to bringing you another season of ***A Great Night Out***, hopefully from October.

Stay safe everyone,

John Roberts
