Social Bowls Saturday 11th June
It was cold but no rain. Greens ran well for the hardy few who played. Dispensed by Lucky Leon, Muscat and Port were welcome body warmers. Good to see Peter Willis out on the track, and Albert played with him as a pair. Graeme begrudgingly handed the winner of the winners to a triple---- Gillian, yours truly, and skipper, David Gamble.

Saturday 11th June A beautiful day for a game of bowls. Fitting that Wombat aka David Manley was in the winning team, as he donated 4 packs of King George whiting to the heads and tails raffle. Could not believe that heads came up first on every occasion, including the wine raffle. What a day Marilyn had! \$10 money back for winner of the losers----a pack of whiting and then the jackpot of \$320. A happy day for all as she put \$100 on the bar.

I can't remember the 18th June so it either rained or I played badly.

Saturday 25th June An odd number turned up, so we played scrongers. Dave Gamble team tagged with John Roberts, who finished up winning the day. He had a huge score of 57 out of a possible 90.

The top four in the first game--- Corinna (who was dangerous), Albert (who is always dangerous), Munnors (a professional leader of men) and

myself (neat score cards are a speciality) had a great game with Munnors pipping me by one on the last end. A respectable score of 32 was not enough, and he came third overall.

Friday Nights 10th June
Another good night! Wedges with chilli sauce and sour cream for nibbles. The jackpot remains, although Simon, Carl and one other tried to take it home. Linda spoiled the lucky draw suspense by winning with 1, the first number revealed. We had a visit from new Liberal candidate for Bragg, Jack Batty. Albert, Sue, Matt, Sally, Verity and Keith kept snug near the fire pit, well after most had departed.

17th June The numbers are increasing, and nibbles was party pies, pasties and sausage rolls— Albert's good work again. No winner in the lucky draw, other than 3 drink vouchers.

24th June I believe that was the little boys night.

Was it Albert who won the Jackpot? He certainly deserves it, as the Friday night noshes are a credit to his enthusiasm for the Club!

1st July Marilyn won the lucky draw, Mike Hocking, Graham, Graeme and Sue allowed the Jackpot to increase, and the band played while Albert presented gourmet pizzas to the multitude.

Tiger Patrol. Shade cloth maintenance, rose pruning, Men's lockers key reconciliation begins, vacuuming, bin emptying---all little jobs that keep the place tidy.

Breaking News You are now aware that Mike Hocking is back from the north. But did you know that Mike, Feastie and Chris Mitchell (from Mildura but played a couple of seasons with us a few years ago) won a major Coolangatta Tournament against serious opposition.
