POLICY ON SMOKING/VAPING & PROHIBITED DRUGS

1. Rationale

Toorak Burnside Bowling Club values the health and safety of all its members, administrators, officials, coaches, players, visitors and staff.

2. Smoking/Vaping

The Club recognises that tobacco smoke and e-cigarette vapours present a health hazard and that non-smokers should be protected from them.

a) Designated Smoking Areas

The Club has designated smoking areas for those who wish to smoke or use e-cigarettes or similar products. Smoking/Vaping in all other areas of the club grounds is not permitted under any circumstances.

Persons in breach of this aspect of the policy will be asked to move to a designated smoking area. If smoking/vaping continues outside of a designated smoking area, those in breach will be directed to leave the club premises.

b) Continued Non-Compliance

Continued non-compliance by a member will result in action being taken by the Board of Management in accordance with the Club's procedures as detailed in the Constitution.

3. Prohibited Drugs

The Club does not consent to the:

- possession, use or supply non-prescribed substances or drugs
- possession of non-prescribed drug related equipment.

Anyone found to breach this aspect of the policy while on the Club premises will be asked to leave immediately. The Club will contact police in instances relating to possession, use or supply of illegal drugs.

4. Policy Review

The policy will be reviewed on an annual basis. This will ensure that the policy remains current and practical. Anyone wishing to discuss any aspect of this policy is invited to contact a member of the Board of Management. Thank you for your cooperation.
