3.1 Completion Dates

Matches must be completed on or before the completion date for that round.

3.2 Dates to be Advised

The Committee may leave some dates to be advised later.

3.3 Designated Days

The Committee *may* decide that all the matches of a round or an event will be played on a designated Day. *Refer to the entry form for details.*

Players may appeal to the Committee to play on an earlier day if they can show a reasonable cause.

3.4 Change of Schedule

The Committee may change the Completion Dates for each round, if necessary.

4. ALLOCATION OF RINKS

4.1 Designated Days

Rinks for play on designated days will be allocated by the Committee.

4.2 Other Matches

Players intending to play a match must put their names on the outside whiteboard at least three days prior to the intended date of play. To assist the Greenkeeper, no play is to commence before 10:00am on any day or after 5:00pm on Sunday. Greens are closed on Monday.

Greens/Rinks for matches to be played on or before a given completion date will be allocated by the Greenkeeper.

5. INABILITY TO PLAY

5.1 By the Completion Date

A player who is unable to play by the completion date for the round will forfeit the match unless extenuating circumstances exist and an alternative date is agreed upon by all players and the Committee.

5.2 On a Designated Day

A player who is unable to play on the designated day will forfeit the match unless extenuating circumstances exist and an alternative arrangement can be made to play the match prior to the designated day.

6. APPEALS AGAINST FORFEIT

A player may appeal to the Committee against a forfeit on the grounds of extenuating circumstances.

The Committee may waive the forfeit provided that extenuating circumstances exist and that an alternative arrangement can be made to play the match.

The decision of the Committee on an appeal is final.

7. EXTENUATING CIRCUMSTANCES

The Committee may consider circumstances which are unavoidable and beyond the control of the player to be extenuating.

8. MATCH ELIGIBILITY

Full members can enter all events for which they are eligible, if they choose to do so.

It is important to consider your capacity to play all of your matches by the completion dates decided by the Committee.

8.2 Substitutes in Pairs Matches

A pair may play with one substitute player with the permission of the Committee.

A substitute cannot already be nominated in another pair in the same event.

9. MATCH PLANNING AND SCHEDULING

9.1 Scheduling Matches

All bowlers playing in an event share equal responsibility to plan suitable dates, days and times to play their matches to ensure they can be played by the completion date.

Players are required to reach mutually agreeable arrangements that consider the scheduling constraints of those with limited flexibility due to work/study etc commitments.

9.2 Markers for Singles Matches

It is the responsibility of the player whose name appears on top of the draw to arrange the Marker for the match.

10. PRACTICE

Practice is **not allowed** on day of event as this may provide an unfair advantage to some entrants.

Bowlers who wish to play two matches on the same day may only do so if:

- there is no disadvantage to the other bowler/s (pairs partner or opponents) playing in the match, for example - other bowler/s are also playing two matches on that day
- all bowlers in this event agree
- the two matches are played on different greens.
